

Dear 9a, welcome back at (home)school.

Did anybody cook the spring soup? I didn't cook at all. My husband – the chef in our kitchen – cooked various (verschiedene) delicious meals.

Die eine Englischstunde diese Woche nutzen wir zur Wiederholung des Simple Past mit Aussage, Verneinung und Fragestellung. Schaut euch diesbezüglich meine Einleitung an. . . ( Ach ja: Vergangenes mit - ed oder 2. Form des Verbs, Verneinung immer mit didn't und Frage mit did.)

First read the verbs at the pages 239 and 240. Write down 10 lines with verbs, that you think are not so easy. Practise them loudly 3 times.

Then copy the English jokes and fill the gaps with the right simple past forms. HAVE FUN! Das sind alles Dialoge. Ich spare mir mal die Anführungszeichen und mache Bindestriche, wenn der Sprecher wechselt.

Ronald \_\_\_\_\_ (get) into trouble in the zoo yesterday. - Really? What did he do? – He \_\_\_\_\_ (feed) the monkeys. - There`s nothing wrong with that. – Oh yes there is. He \_\_\_\_\_ (feed) them to the lions.

Mum \_\_\_\_\_ (break) a leg. Now Dad can't work. – You mean your father is looking after your mum. – No, Mum \_\_\_\_\_ (break) Dad`s leg.

I eated seven cakes at my bithday party. – Don't you mean \_\_\_\_\_ (eat)? – Okay I eated eight cakes at the party. (Hier liegt der Witz in der Aussprache, lies also noch einmal.

My mother never \_\_\_\_\_ (like) any of my girlfriends. Last week I \_\_\_\_\_ (invite) my latest (neueste) girlfriend home. She \_\_\_\_\_ (look) like my mum, she \_\_\_\_\_ (talk) like her and even \_\_\_\_\_ (dress) like her. – What did your mother think of her? ( Frage mit did) – She liked her a lot. – Well, that`s the end of your problems! – Not really. My father \_\_\_\_\_ ( not like) her at all.

Did the film have a happy ending? – Well, everybody \_\_\_\_ (be) happy, when it \_\_\_\_\_ (end).

I think so you are, wenn you are ready with these tasks. 😊

Greetings from Mrs Rausch
